**GREENDALE SCHOOLS NAMED BY THE MILWAUKEE JOURNAL SENTINEL AS  
A WINNER OF THE SOUTHEAST WISCONSIN 2018 TOP WORKPLACES AWARD**

GREENDALE, WI -- For the third consecutive year, Greendale Schools has been awarded a Top Workplaces honor by The Milwaukee Journal Sentinel. The list is based solely on employee feedback gathered through a third-party survey administered by research partner Energage, LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

“Top Workplaces is more than just recognition,” said Doug Claffey, CEO of Energage. “Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

“Being named a Top Workplace is a tremendous honor for our school district, but the results of the survey itself are what we find the most valuable aspect of this experience,” said Dr. Gary Kiltz, superintendent of Greendale Schools. “We use data every day to assess how our students are growing in their skills and knowledge, and to determine ways we need to improve that educational experience for them. It is only fitting then, that we use a similar approach to determine how we as an organization are growing and changing to meet the needs of our staff.”

“As a three-year honoree, we continue to look for ways we can improve our employee experience, which we know will have an important impact on student success in Greendale,” Kiltz added.

“Becoming a Top Workplace isn’t something organizations can buy,” Claffey said. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”
