### **Kickball Tournament**

**Eligibility:** Eligible players in the adult tournament shall be any adult age 18 or older, or any students entering 7<sup>th</sup> grade or beyond. To be eligible any player must have signed the waiver and release form included in the registration packet. Substitute players are allowed, provided they meet the previous requirements.

**Game Location:** All games are played on the baseball fields at the Greendale Community Center 6200 S. 76<sup>th</sup> St.

**Game Length:** All games will be 8 innings and have a 50-minute time limit. If time expires, play out the entire inning if the home team is behind.

**Teams:** A team consists of between 10 and 18 players. A game can begin with 8 players present.

**Start Time:** Games must begin on time. Players should arrive 10 minutes early before their scheduled game. There will be a 5 minute grace period for a team to get the required number of players present. For each minute past game time the team that is ready to play, with the required number of players, will earn 1 run for every two minutes the opposing team is late/not ready to play. For example, at the end of 5 minutes the score will be 2-0.

**Scorekeeper:** Scorekeepers will be provided by the Greendale Education Foundation.

**Home Team:** Every game the home team is determined by a flip of the coin that will take place by the two team captains. The visiting team bats/kicks first.

**Umpires:** Umpires will be provided by the Greendale Education Foundation. Umpires will call pitches legal or illegal. Umpires will also have the responsibility of calling base runners safe or out.

## **Rules of Play**

### **Kicking**

1. Team kicking will furnish a pitcher. Only 3 pitches are permitted to kick a fair ball or batter is out.
2. If a kicked ball hits the pitcher: kicker is out, ball is dead, runners return to their original bases.
3. A foul on the 3<sup>rd</sup> pitch: kicker is out.
4. Kicking order must remain consistent.

### **Defensive Positioning**

8-10 players are allowed to play on the field as defense. There are no restrictions on infield/outfield positions. The game may not be delayed for excessive switches. The umpire will determine when an amount of switching would be considered excessive.

### **Pitching Rule**

1. **Pitchers will be members of the batting team**, and catchers will be members of the fielding team. Pitchers don't have to be listed as one of the batters in the lineup, so there can be a designated pitcher who never bats.
2. A pitcher beginning the game gets five (5) warm-up pitches. A pitcher beginning innings 2-5 gets one (1) warm-up pitch. Mid-inning replacement pitchers get **no** warm-ups. Pitchers may only be changed for new batters.
3. Legal pitches must be rolled from the pitching mound to the plate without stopping, and the kicker must not make contact with the ball prior to the pitch touching the plate.
4. **No strike outs or walks. Kicker must kick the ball fair in three pitches or the Kicker will be out.**
5. Pitcher shall wait until fielding team is ready before delivering the pitch.
6. If a pitcher purposely interferes with a kicked ball the kicking team will be given an out.

### **No Pitch**

1. No pitch shall be declared when the pitcher pitches during a suspension of play, or when the pitcher attempts a quick return of the ball before the defense is ready. Ball is dead and all play is suspended.

### **Illegal Pitches**

1. An illegal pitch counts as one of the 3 allowed!

a. An illegal pitch becomes a dead ball immediately. No runner or runners can advance. Illegal pitch constitutes non-compliance pitching rule above.

### **When Kicker is Out**

1. If the official kicking order is not followed.

2. If the kicker attempts to hinder the catcher from fielding or throwing the ball.

3. **If the kicker bunts the ball.**

4. If the kicker makes contact with the ball before the ball reaches the plate.

5. If the kicker kicks the ball and it hits the "offensive" pitcher, or if the pitcher interferes with the defense while trying to make a play.

6. If the kicker is struck by the ball thrown by a defensive player. **A player struck in the head will not be out!**

### **When Base Runners are Out**

1. If the runner interferes with the play being made at a base.

2. If the runner fails to avoid a fielder attempting to field a kicked ball.

3. If the runner leaves the base before the kicker contacts the ball. No base stealing allowed. **No leading off.**

4. If the runner is hit by a kicked ball when they are off the base, in fair territory, they are out, the ball is dead, and the kicker is awarded 1st base. If they are hit while on a base, they are safe (if unintentional), a dead ball is declared and the batter is awarded first base.

5. If the runner passes a preceding base runner before such runner has been legally put out, the passer is out and the ball is still in play.

6. If the runner deliberately slides or dives into any base with intent to cause injury to the fielder, they are automatically declared out and ejected from the game.

7. **If it is a close play the runner must slide and avoid contact.**

8. If the runner is struck by the ball thrown by a defensive player. **A player struck in the head will not be out!**

**Other base running--**Sliding is allowed for all bases and **must be feet first.**

### **Overthrow**

One base shall be awarded for an overthrow that goes out of play. This shall be determined from when the player (thrower) releases the ball. It shall be one base from point of release. If overthrown into an "in-play" area, runners advance at their own risk.

**Coaches, players, and spectators must remain a minimum of 10 feet from baseline.**

Officials will only discuss with team captains. Captain must be a player on the active roster and of good standing with the officials. The supervisor can appoint a NEW captain if there have been previous problems with a captain/player.

**Cleats: No metal spikes, or rubber cleats with metal tips,** are allowed.

**Equipment:** The Greendale Education Foundation will provide all equipment needed for the event.

**Mercy Rule:** There will be a 15 run mercy rule in place. The mercy rule is as follows:

The 15-run mercy rule will apply after 4 innings if the home team is ahead 15 runs.
